NEW PRODUCTS

We are continuously seeking out and testing products for the Confectionery and are thrilled to introduce to you the following new product lines:

KAHINA

I love this line! Their products are spectacular as is their philosophy of women helping women through shared beauty rituals.

KAHINA is a certified-organic line based on 100% organic argan oil sourced from women's cooperatives in Morocco. Argan oil is naturally rich in vitamin E, antioxidants, and essential fatty acids known to rejuvenate and heal. By law, Berber women are the only people permitted to extract argan oil from the nuts of the trees, as a means to promote the women's financial and social independence.

KAHINA donates 25% of profits back to the cooperatives to improve living conditions, literacy and women's rights.

The *KAHINA* collection includes a facial cleanser, serum, facial lotion, eye serum and a pure argan face oil. A three-piece travel kit is also available. The violet-glass bottles are recyclable, while the boxes are made from 100% post-consumer waste and manufactured in a wind-powered plant. The bottles and boxes display the beautiful signatures and marks of the Berber women of the cooperatives. ORESTA is the sole retailer of *KAHINA* in Canada.

GREEN BEAVER JR.

A certified-organic skin and hair care line for kids from Hawkesbury, Ontario. Formulated with Canadian raspberry and carrot oil to nourish and hydrate. This fun, great smelling and affordable line includes **Tear-Free Shampoo, Conditioning Detangler, Foaming Hand Soap, Foaming Body Wash, Bubble Bath and Lip Balm**.

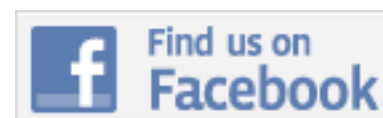

EMINENCE

Treat your winter lips to *EMINENCE's* Lip Trio. Exfoliate and refine your lips with gentle fruit enzymes, follow with a rich hydrating masque and finish with a non-petroleum citrus balm that stimulates lip-plumping collagen.

EMINENCE's Coconut or Pear & Green Apple Sugar Scrub relieve dry, itchy and rough skin. The raw sugar cane granules contain natural Alpha Hydroxy Acids which gently exfoliate the skin while the comfrey soothes and hydrates. Total decadence!

COMPLIMENTARY FACIALS

Throughout the year, in support of *Breast Cancer Awareness*, we will be offering one complimentary ORESTA organic facial per week to anyone undergoing cancer treatment.
