

ORESTA ORGANIC NEWS

July 2009

Summer is finally here!

We welcome esthetician and makeup artist **Pamyna** to ORESTA's. In addition to spa services, Pamyna will be offering a "5 minute face" workshop on *Tuesday, July 21 at 6 pm*. Cost: \$50 (to go towards product purchase). Call to reserve your spot.

The Confectionery is brimming with new products & product lines

Introducing **REVOLUTION ORGANICS**, a collection of USDA certified organic beauty multi-taskers formulated with pure simplicity in mind. Founded by Ottawa's Melissa Shabinsky and Alexandra Zanella, the **All-over Skin Crème** and the **All-Over Body Balm** do the work of multiple skin products.

My personal favorite for summer is their "Sunkissed" Beauty Balm which gives lips and cheeks a natural 'day at the beach' glow. Looks great on all skin tones.

We are carrying **Badger Balm** water-resistant mineral SPF 30 sunscreen, SPF 15 lip balm and post-exposure Bali Balm. Badger's natural, non-sticky sunscreen rates first on the EWG's list of "best sunscreens". Well priced and softly scented...what's not to love?

Alberta's **All Things Jill** has created *Shoo Fly!* Outdoor Lotion and *Bug Joose* to combat the Canadian summer enemy... the mosquito. Their *After Sunny* Spray soothes and hydrates sun-overindulged skin.

New products from **afterglow cosmetics:**

Powder Concealer (available in 5 shades) - perfect for use on its own or with Afterglow's mineral foundation to give a flawless and radiant finish to your skin.

Redness Calming Concealer is a yellow-toned correcting concealer with SPF 30 which camouflages redness while calming and preventing further reddening. This concealer is great for blemishes, rosacea, and sun-kissed cheeks- best for fair to light skin tones. Great for brightening the eye area!

Pencil Eye Liner for quick and convenient application at home or on the go, in 3 shades: Planet (dark green), Orbit (dark brown), and Gravity (black).

For a limited time, receive a complementary concealer brush with purchase of powder concealer. While quantities last.

Introducing **Consonant™ Body** - a collection of organic face washes, body soaps, liquid body washes, body lotions and hand creams. This Canadian line contains only the finest, purest ingredients including jojoba oil, olive oil, palm oil, tamanu oil, grape seed oil, evening primrose oil and sunflower oil. Consonant Body offers a refreshingly light Spearmint & Sage line as

those sensitive to scent. Check out their fun, lighthearted eco-packaging.

Summer Lovin' New from Eminence

Just in time for summer, **Eminence Organic Skin Care** has launched a tropical sun care line. The collection features a Vanilla Sun Cream SPF 32 for the face and another for the body. The two Aloe Mint Hydrating Gels are soothing for the face or for the body..
