

SEPTEMBER 2011

PROMOTION

POST-SUMMER CORRECTIVE FACIAL

Correct the summer sun's damaging effects on your skin with a Post Summer Corrective Facial to firm, brighten, hydrate & heal your skin.

We will complete a skin analysis with our Skin Analyzer Machine to accurately assess your skin and reveal visible & not yet visible sun damage. We will customize your facial treatment to suit your skin's specific needs and add LED light therapy to advance the desired results.

LED light therapy is a safe, non-invasive & painless treatment which incorporates the application of light energy using a unique photo-pulsation technology.

Red LED light stimulates collagen production, smoothes skin, improves firmness, reduces the appearance of wrinkles, lightens pigmentation & calms rosacea.

Blue LED light destroys bacteria on skin that causes acne & is currently approved by the FDA to treat acne.

Welcome fall with healthy bright skin!

\$145
(\$185 value)

series of 6 LED treatments **\$300**
(\$360 value)

OUR STAFF

ORESTA confectionery (Glebe) welcomes esthetician Krista as well as retail staff Lina & Katie. Roshelle is returning to school but will be in the confectionery on Saturdays.

ORESTA apothecary (Hintonburg) is pleased to have Kelly join the apothecary retail store on a full time basis as Emily resumes her studies.

TEEN SKIN CARE workshop

Many teen skin care products contain ingredients which that can do more harm than good for your skin.

Learn about the benefits of organic skin care with a hands-on facial demonstration. We will answer your teen skin specific questions, offer skin care recommendations and organic makeup application tips & techniques.

*Limit of 10 teens per workshop.
Call to reserve your spot.*

Tuesday September 27 5:30 pm
ORESTA in the Glebe 613 231 7022

Wednesday September 28 5:30 pm
ORESTA in Hintonburg 613 680 0415

\$20/person
(credited towards product or service)

We held our first **facebook** contest. Thank you to all for sharing your knowledge. You understand the importance of making healthy beauty choices! Congratulations to our 4 weekly winners of \$100 of

The weekly questions, winners and their comments:

week 1: **What is your favorite product at ORESTA & why?**

Patricia G. *"Afterglow mineral foundation with the Kabuki brush. Love the way it goes on, covers up, and has an SPF 20."*

week 2: **Why did you make the switch to organic skin care?**

Vanessa R. *"7 yrs ago I watched a documentary about ingredients in cosmetics! Yuck and scary! I was expecting my first child and realized that whatever I might be putting in & on my body could be potentially harming my baby. I wanted to also help the environment by supporting a different market, an organic driven market. I'm much better off."*

week 3: **List a cosmetic or skin care ingredient that you avoid & why?**

Ali B. *"Fragrance sounds so lovely, unfortunately its so deadly, masking chemicals & pollutants, giving us rashes & skin irritants. Avoiding fragrance is essential, replacing them with something more neutral, no scents makes the best sense and shopping at ORESTA is your best defense!"*

week 4: **What is your favorite Afterglow makeup tip?**

Melinda C. A. *"Brighten your eyes with the organic triple eye treatment. I use the afterglow organic setting powder over the triple eye treatment to set the concealer. This keeps the dark circles away all day long."*
