Spring 2010

## PRITI PAINTED TOES

We are now offering nail polish in our manicure and pedicure treatments. **Priti** polish is **toluene, formaldehyde and DBP-free**. A runway favourite, it is non-toxic, 100% biodegradable, vegan, never tested on animals, only on models and available in a wide range of flower inspired shades. **Priti also has a soy nail polish remover.**

Freshen up your toes for spring or treat Mom for Mother's Day to one of our signature pedicure treatments (\$75 for 75 min):

**Canadian Pacific** - detoxify and soothe your skin with the healing properties of B.C.'s wild seaweeds, sea salt & muds.

**Chocolate Truffle** - soothe, hydrate and stimulate your feet and your senses with luxurious organic dark chocolate.

**Fresh Fruit** - Invigorate, tone, and nourish your skin with refreshing pear and green apple, finishing with a firming lychee massage.

(without polish \$70, French \$80)

## Celebrate Earth Day

On April 22, we will donate 10% of sales to The Sierra Club of Canada to save our **Blanding's turtles**. Wetlands on the western edge of Ottawa are home to these turtles and are being threatened by urban development. Please **send a message** to Ontario's Minister of Environment and Ministry of Natural Resources to help save our turtles.
